Health Net Managed Care Service Area Expands in Stanislaus County

Beginning June 1, 2006, Medi-Cal recipients residing in the following ZIP code areas will be eligible to enroll in the Health Net (Health Care Plan 361) managed care plan in Stanislaus County: 95313, 95316, 95360, 95380, 95381 and 95382. Previously these ZIP codes, which are in the Turlock area and other parts of southern Stanislaus County, were excluded from Health Net enrollment.

Managed care in Stanislaus County is based on a Two-Plan model. Health Net is the commercial plan and Blue Cross of California (Health Care Plan 310) is the local initiative. Enrollment policies are as follows:

- Recipients with the preceding ZIP codes have three options: enroll in Health Net, enroll in Blue Cross of California or remain fee-for-service Medi-Cal.
- Recipients with the following aid codes (except those recipients residing in the ZIP code areas identified) are required to join either Health Net or Blue Cross: 0A, 01, 02, 08, 3A, 3C, 3E, 3G, 3H, 3L, 3M, 3N, 3P, 3R, 3U, 3W, 30, 32 – 35, 38, 39, 47, 5X, 54, 59, 7A, 7X, 72, 8P, 8R and 82. Recipients with these aid codes who do not select a plan will be assigned to Health Net or Blue Cross according to default enrollment policies.
- Recipients with the following aid codes may voluntarily enroll in managed care: 0N, 0P, 03, 04, 1E, 1H, 10, 14, 16, 2E, 20, 24, 26, 36, 4A, 4C, 4F, 4G, 4K, 4M, 40, 42, 45, 5K, 6A, 6C, 6E, 6H, 6J, 6N, 6P, 6V, 60, 64, 66, 7J and 86. Recipients with these aid codes may choose Health Net, Blue Cross or remain fee-for-service Medi-Cal.

The California Department of Health Services sent notices and instructions to Medi-Cal recipients affected by this change.

For additional information, providers may contact Health Net at 1-800-675-6110 and Blue Cross at 1-800-407-4627.

Remittance Advice Details Code 010: Denials for Duplicate Claims

A frequent cause of claim denials by Medi-Cal is due to incorrect recipient admission and discharge dates and/or incorrect patient status codes as submitted by providers. Erroneous “from-through” dates or patient status billed by one provider and paid by Medi-Cal can result in the denial of correct claims billed by another provider. This often occurs between hospitals and nursing homes during the transfer of the recipient. Providers see this on their *Remittance Advice Details* (RAD) as a claim denied by RAD code 010.

Should the denied provider choose to dispute the claim and there is no resolution between the two providers regarding the dates in question, Medi-Cal could recoup the full reimbursement of the original erroneously paid claim, and would not make an adjustment without a correction request from that provider.

Incorrectly paid and denied claims can also create incorrect provider reimbursement data and inaccuracies in the health service records that may impact beneficiary share of cost, access to services and estate recovery.

Stop Illegal Tobacco Sales

The simplest way to stop illegal tobacco sales to minors is for merchants to check ID and verify the age of the tobacco purchasers. Report illegal tobacco sales to 1-800-5-ASK-4-ID.

New Special Claims Review Messages for Denied Claims

As announced in the November 2005 *Medi-Cal Update*, providers on Special Claims Review (SCR) are receiving new “freeform” messages for denied claims. These messages are being used to better communicate SCR denials and apply only to those providers on SCR who are required to have a higher level of documentation on their claims. Providers should refer to the *Remittance Advice Details (RAD) Codes and Messages*, *Remittance Advice Details (RAD) Electronic Correlation Table to National Codes* and the *Remittance Advice Details (RAD) Electronic Correlation Table to National Codes: HCRC to RAD* sections in the Part 1 manual for details.
